

*Martin's  
Famous*

**fifty year guarantee**

All instruments built by the Martin Band Instrument Company are made of the finest materials and are guaranteed against fundamental defects in material and workmanship for fifty years. Plating is guaranteed for five years against peeling, cracking or chipping... but not, of course, from impairment due to body acids or metal solvents. Certain parts, such as valves, trombone slides, pads, springs and others which naturally become worn, can be replaced at nominal cost. With normal care, the owner of a Martin instrument can expect an entire lifetime of satisfaction and service.
