

MARTIN'S NEW

INDIANA

E♭ Alto Saxophones

A remarkable new alto

PRICED AMONG THE LOWEST

There are generations of experience behind this new Indiana, designed and built by Martin... creators of America's foremost professional saxophones. If you want a handsome alto saxophone that's really easy to play, with wonderful tone and intonation, try an Indiana. You'll discover it both *looks* and *plays* like saxophones priced much higher. Yet it's priced among the lowest! See how features such as improved key placement, uniform hardness of body, fast and smooth action, genuine Martin mouthpiece and professional quality pads help you play *your very best* with remarkable ease.

DE LUXE MODEL (illustrated) is finished in gold lacquer with bright nickel keys and special features shown below. Complete with neck strap, music lyre and mouthpiece. Professional type case has real leather binding and luxurious plush lining.

STANDARD MODEL has all-over gold lacquer finish. Same instrument as above except for nickel keys and special features. Complete with neck strap, music lyre and mouthpiece. Gladstone type case is lined with silk plush.
